

Dear Neighbor,

I am pleased to announce that Blue Giraffe Restaurant is expanding your dining experience to the Beachview Estates neighborhood adjacent to the Sanibel Island Golf Course Pro Shop.

The second location will include our popular family island dining menu that has been offered at the Periwinkle Place Shopping Center restaurant for the last four years. However, in addition to indoor and pet friendly patio dining, the new location will also offer an exclusive members-only Clubhouse facility.

**YOU ARE INVITED TO BECOME A MEMBER AT BLUE GIRAFFE'S CLUBHOUSE AT SANIBEL ISLAND GOLF CLUB!**

What does membership include? Access to an adult-only game room with pool table, shuffleboard, card/gameboard tables and widescreen television viewing area with recliner chairs. We're pioneering a community set apart from the rest. Members will also enjoy a private dining room by reservation, as well as special food and beverage pricing all year long. As a member, you will receive a three-course dinner with beverage (wine or beer) every month (\$60 value per person). In addition, members will be invited to attend special events throughout the year. If you become a Charter Member (join before December 1, 2020), you will receive one free month and will be invited to attend pre-opening events.

During a time like this, we understand that you'll want to know that you're being taken care of. At Blue Giraffe Restaurant, your safety is our first priority. Please know that our staff is in full compliance with CDC guidelines including both touchless and disposable menus. We are tried and true, SanCap safe! You'll have nothing to fear here other than not having enough time to partake in it all!

We know you may still have some unanswered questions, but most exciting adventures usually begin that way! If you want to start planning for what a future looks like as a Clubhouse Member, we invite you to act fast. For our first year, we are offering 20 single memberships at \$1,195 (plus \$78 tax) and 50 couple memberships at \$1,995 (plus \$130 tax).
